NOV. 19TH THROUGH JAN. 1ST 5-10 PM NIGHTLY

SANDY POINT STATE PARK

To Benefit The SPCA of Anne Arundel County

ABOUT

Welcome to Lights on the Bay's 29th annual holiday light show, open to the public from November 19, 2023, through January 1, 2024. Held at Sandy Point State Park, this event has something for everyone in the family! From two miles of exciting animated and static light displays — everything from holiday influenced themes, Annapolis-inspired displays (including one that features USNA Mids tossing their covers into the air), and more — to challenging nightly scavenger hunts and trivia with prizes for the children, Lights on the Bay is sure to please and amaze all visitors. And don't forget that Santa makes an appearance every year on Thanksgiving Day!

Lights on the Bay is open each night, including holidays, from 5PM to 10PM. Because you can view all of the displays from the safety of your car, it's a fun and safe outing for the entire family. Check out local publications and retailers for discount coupons. Sandy Point State Park is located off Route 50 at exit 32, right near the Bay Bridge.

TO BENEFIT THE SPCA OF ANNE ARUNDEL COUNTY

Lights on the Bay is produced by, and solely for the benefit of, the SPCA of Anne Arundel County — the largest and oldest animal welfare organization in the county.

We provide shelter and care for homeless animals in need, and work to advocate on behalf of animals in our community. At your SPCA, we embrace animals in need and provide them with the care they deserve, regardless of age, breed or physical condition, and then work tirelessly to match them with forever families. We place no time limit on how long an animal is cared for while awaiting adoption.

As a result of our efforts — and because of your support — we proudly maintain one of the highest life-saving rates in the country! Without your help and support of events like Lights on the Bay, none of this would be possible.

Visit us online at www.aacspca.org to learn more about our mission and programs.
